RE: Commonwealth of Kentucky
vs. Heather Welch

Dear Rose:

With the now incarceration of Heather Welch we have closed an ugly chapter in our history. Words cannot express how much I appreciate the fantastic job you did in going through the records of this case and putting them in layman's terms. Your work and dedication to this and to what I have seen in the other matters we have discussed never ceases to amaze me. You are truly one of the nicest things that has happened to Harrison County and I look forward to working with you on new projects.

Thanking you for your work, your dedication and your caring about our children. With warmest personal regards and best wishes, I remain,

Yours very truly,
